HONOLULU, HAWAII TERRITORY, TUESDAY, DECEMBER 10, 1912.—S.M.

WHOLE NO. 1757

## TURKISH TROOPS IN CARNIVAL OF BLOOD

Christian Massacre Proceeding  
in the Peninsula of  
Gallipoli.

### EUROPEAN SITUATION TENSE

Belgrade Paper Asserts Austria  
Must Exterminate Servians  
to Win in War.

(By Federal Wireless Telegraph.)  
CONSTANTINOPLE, December 9.—  
(Special to The Advertiser)—Dispatches  
from Gallipoli report terrible excesses  
by the Turkish troops in that district.  
The telegraph lines have been cut be-  
yond Gallipoli, and the military author-  
ities have ordered out a detachment of  
troops to punish the Christian residents.  
The troops burned houses, held many  
of the villagers for ransom, massacred  
those who refused to pay, and assaulted  
women and children wholesale. They  
also pillaged the villages of Malgra,  
Keshen, Karadali, Aloali, Grabunar and  
Examili, which were practically de-  
stroyed.

Turkish reinforcements from Asia  
Minor continue to arrive at Gallipoli.

The authorities of Janina report that  
eighteen battalions, comprising the reg-  
iments of the Monastir army, have  
reached there with artillery and ammu-  
nition, thus strengthening the Turkish  
position at this important point.

### ALL SERBIA WILL FIGHT.

(By Federal Wireless Telegraph.)  
BELGRADE, Serbia, December 9.—  
(Special to The Advertiser)—The ac-  
cumulation of Austrian troops on the  
Serbian frontier and the provocative  
language of the Vienna newspapers have  
led to renewed excitement and warlike  
feelings in Serbia.

The newspaper Pravda, voicing the  
prevailing irritation, says:

"If Austria wishes war with Serbia  
it will come. It will be the most bitter  
fight in history. Every Serbian man  
and woman, young and old alike, will  
take part in it, and Austria will have  
to exterminate the whole Serbian na-  
tion before conquering it."

Many Servians visiting Austro-Hun-  
garian frontier towns on business have  
been arrested on charges of spying.

The Serbian government has protest-  
ed to the Austro-Hungarian authorities.  
War Feeling Stronger.

LONDON, England, December 9.—  
(By Associated Press Cable)—The pos-  
sibility of a general European war is  
again looming up, and the feeling of  
security which had begun to make it-  
self felt has been dissipated by the  
seizure of a supply ship, destined for  
the Serbian army, by a warship of the  
Austrian navy. The fear is expressed  
here that this act on the part of Aus-  
tria can hardly fail to bring about war  
in the already strained state of affairs  
in the Balkans.

### Reported Seizure of Ship.

VIENNA, Austria, December 9.—  
(By Associated Press Cable)—The most  
intense excitement is manifest here  
over the report that the Austrian gov-  
ernment has seized one of the supply  
ships loaded with provisions and am-  
munition for the Serbian army.

Dispatches from Belgrade are alarm-  
ing. The reported capture of a Serbian  
supply ship is taken there by many re-  
sponsible persons as the equivalent of a  
declaration of war, especially when  
considered in connection with the mas-  
sacre of Austrian troops upon the fron-  
tier, just across from Belgrade.

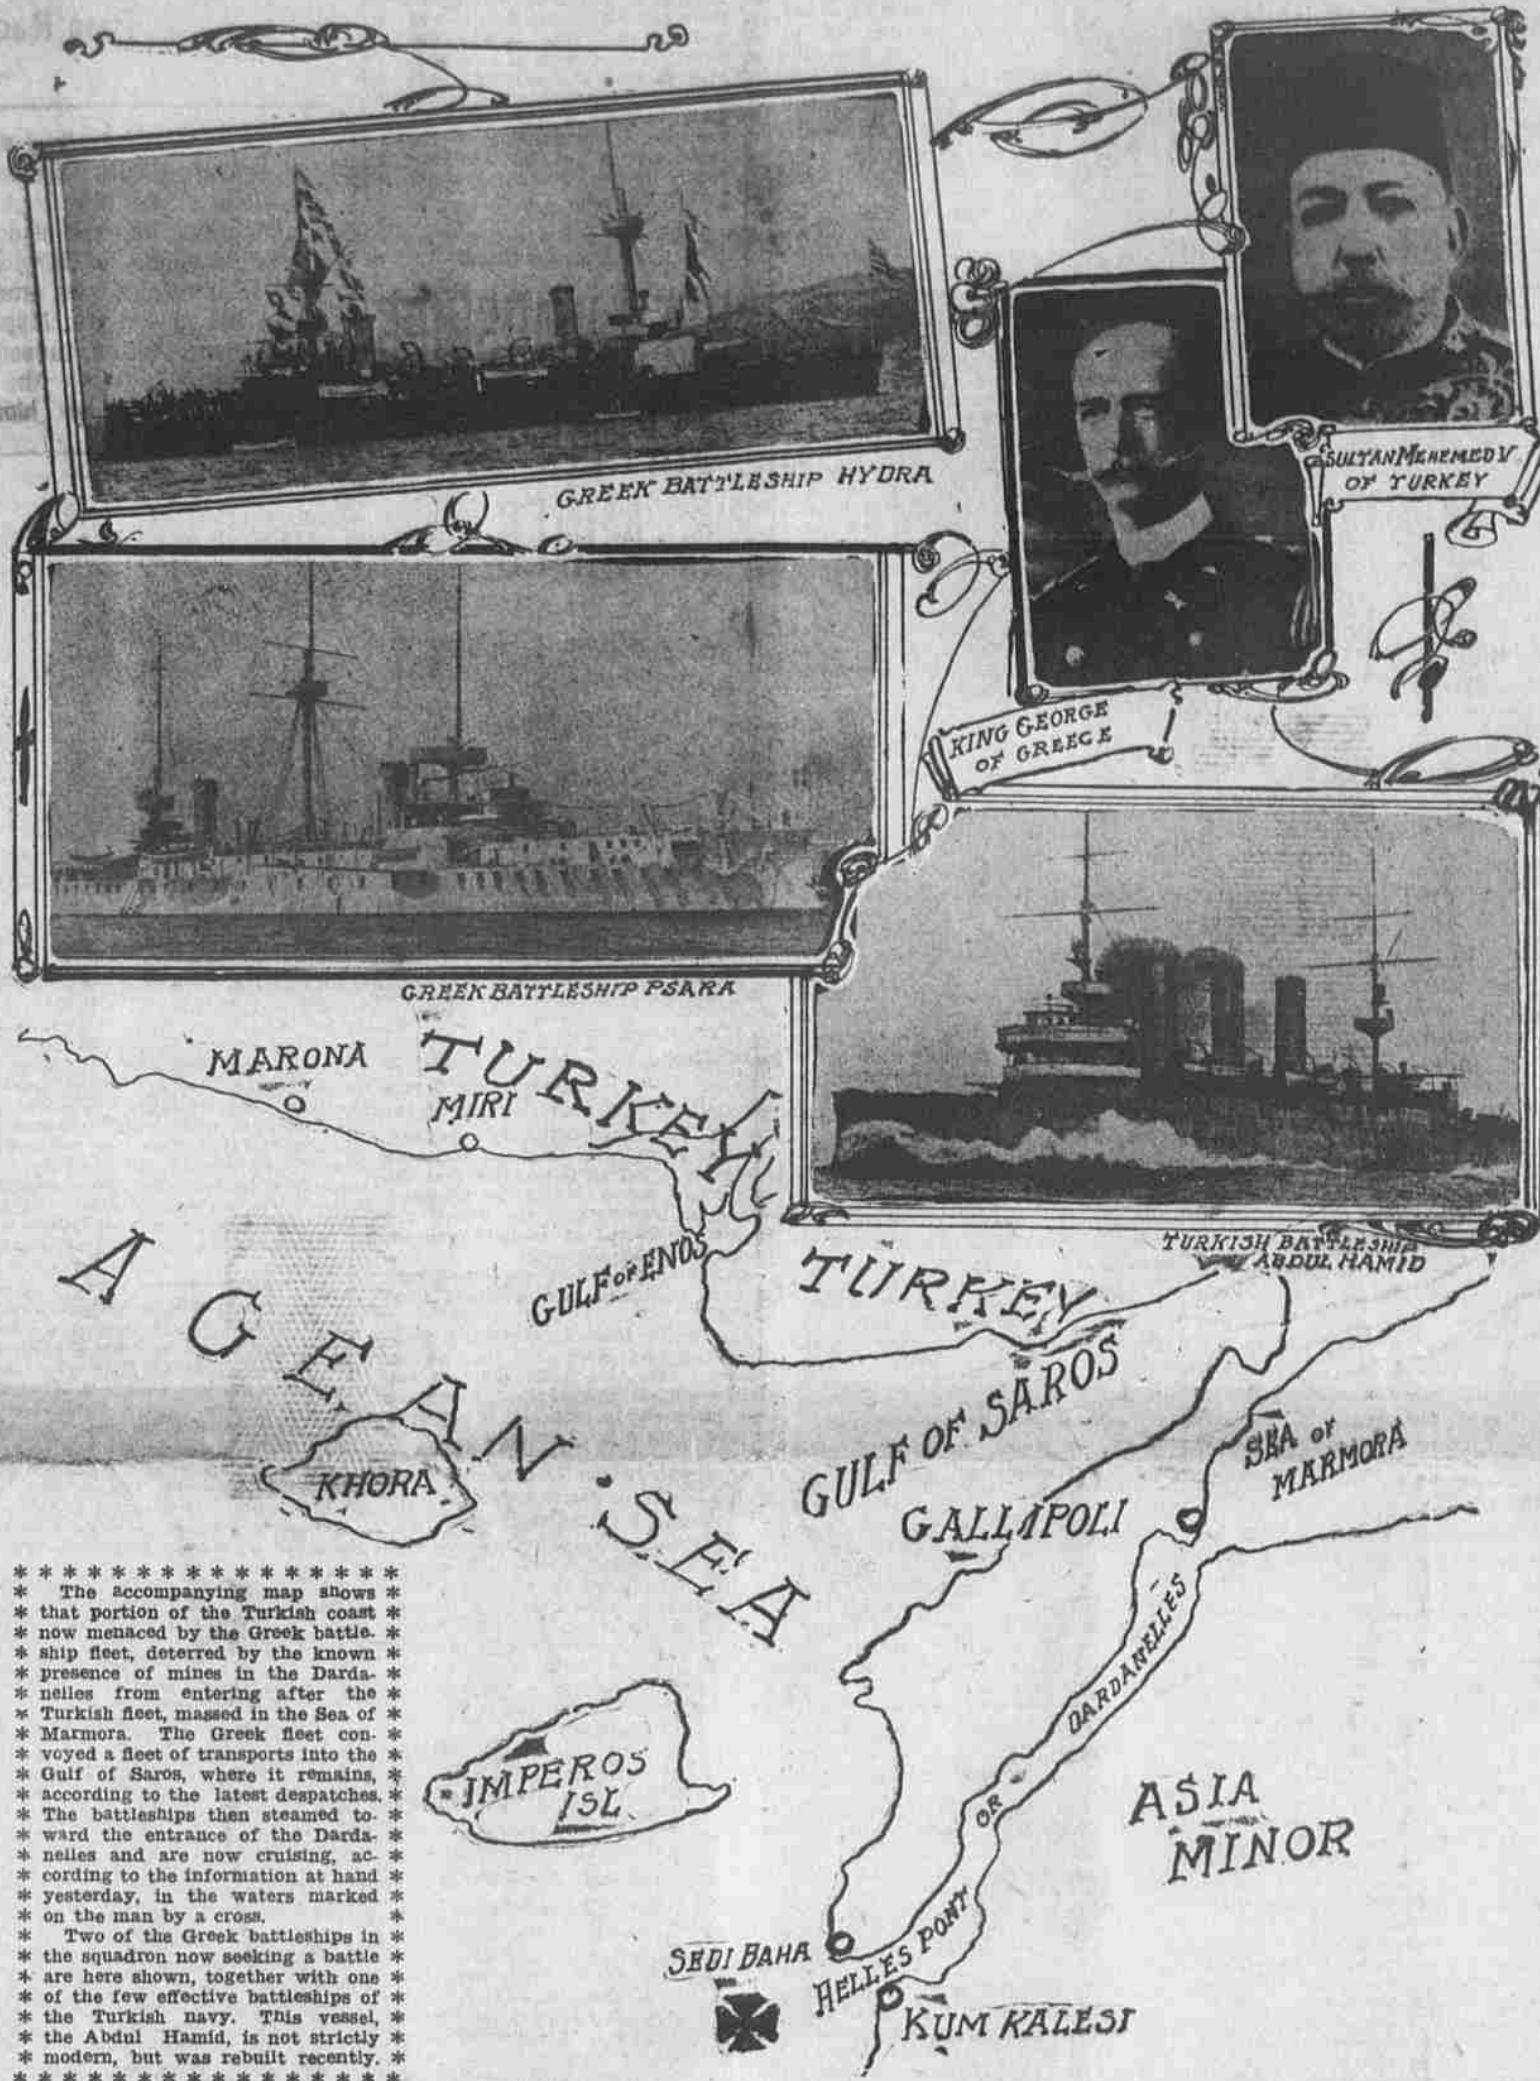

### Asks for More Troops.

BUCHAREST, Roumania, December  
9.—(By Associated Press Cable)—The  
long silence which Roumania has main-  
tained during the fight of her sister Bal-  
kan States with the Turk, bids fair to  
be broken soon. The King today asked  
the parliament for subsidies for  
more troops, and it is probable that the  
legislature will grant them at once.

## AMBASSADOR BRYCE PROTESTS AGAINST "DISCRIMINATION"

WASHINGTON, December 10.  
(By Associated Press Cable)—  
Ambassador James Bryce,  
representing Great Britain, pre-  
sented the state department yester-  
day with a supplemental pro-  
test against the suspension of  
the United States consular  
shipping from payment of tolls  
through the Panama Canal.

## Opposing Battleships and Scene of Operations Near the Dardanelles

## GENERAL BARRY MAY BE CHIEF OF STAFF

Believed He Will Soon Succeed  
General Wood When Taft  
Quits Job.

(By Federal Wireless Telegraph.)  
NEW YORK, December 9.—(Special  
to The Advertiser)—Maj. Gen. Thomas  
H. Barry, commanding the department  
of the East and former head of the  
Military Academy at West Point, is  
slated to be the new chief of staff,  
succeeding Major General Wood, ac-  
cording to a well authenticated rumor  
in circulation here today.

General Wood's detail as chief of  
staff expires automatically with the  
retirement of President Taft. The de-  
cision to appoint General Barry, so the  
story goes, came after considerable dis-  
cussion among his Democratic friends  
in Washington.

### Two other candidates were consid- ered, Maj. Gen. Arthur Murray, com- manding the Western Division at San Francisco, and Brigadier General Cro- zier, chief of ordnance; both, however, are friendly to General Barry. It is un- derstood that the appointment will be among the first made by President Wil- son.

### RECOVER STOLEN MAILSACK.

SAN FRANCISCO, December 9.—(By  
Associated Press Cable)—A mail sack,  
stolen from the Steamer Limited on the  
night of November 8, has been recover-  
ed intact. The sack contained more  
than ten thousand dollars in drafts and  
a like amount of jewelry.

## PRESIDENT-ELECT TO BE PRESIDENT'S GUEST

(By Federal Wireless Telegraph.)  
WASHINGTON, December 9.—  
(Special to The Advertiser)—  
To permit President-elect Wil-  
son to become familiar with the  
white House arrangements,  
President Taft is to invite Gov-  
ernor and Mrs. Wilson to spend  
several days in January at the  
executive mansion, according to  
an announcement here today.

## EARL RUSSELL JOINS SOCIALISTIC SOCIETY

(By Federal Wireless Telegraph.)  
LONDON, December 9.—(Special to  
The Advertiser)—Socialism has at last  
broken into the house of lords. The roll  
of the Fabian Society has just been  
augmented by the name of Earl Russell,  
a peer who is the great grandson of the  
Duke of Bedford, and grandson of Lord  
John Russell, a former Premier. The  
Fabian Society consists of Socialists of  
the upper and middle classes. Among  
the members are George Bernard Shaw  
and H. G. Wells, the novelist.

## CONDEMNS MISPLACED FILIPINO SENTIMENT

Secretary of War Speaks Plainly  
In His Annual Report On  
Many Subjects.

(By Federal Wireless Telegraph.)  
WASHINGTON, December 9.—(Special  
to The Advertiser)—Unsparring  
condemnation of those who would from  
"misplaced sentiment or lazy self-inter-  
ests" cast the Philippines upon the world  
in a state of hopelessness, and before  
they have acquired the full benefits of  
American civilization, was a strong fea-  
ture in the annual report of Secretary  
of War Stimson.

Many other subjects of interest are  
treated in the report, such as the rela-  
tions of the national army improve-  
ments to the army's technical methods  
and the inadequacy of the present en-  
listment reserve law.

The crying need of citizenship for the  
Porto Ricans, the conservation of the  
national water power in navigable  
streams and the advisability of amend-  
ing the Panama Canal tolls so as to im-  
prove tolls on American coastwise ship-  
ping using the waterway, were among  
the other subjects treated of.

Mrs. May, wife of D. C. May, audi-  
tor for Mexico & Co., returned in yester-  
day's steamer after a seven-months' trip  
with friends and relatives in the  
Eastern States. While their own home  
in Maine is being built they have taken  
residents at the Plantation.

## INVENTION MAKES HIM MULTI-MILLIONAIRE

(By Federal Wireless Telegraph.)  
SYDNEY, Australia, Decem-  
ber 9.—(Special to The Advertiser)—  
Three million seven hun-  
dred and fifty thousand dollars  
is the sum which has been paid  
to H. Crisp, a clerk at Mel-  
bourne, who has been successful  
in devising and selling an inven-  
tion to an American firm which  
will entirely revolutionize the  
cold storage industry. The es-  
sential feature of the invention  
is said to be a spirit which will  
make expensive refrigeration  
machines unnecessary.

## DEMOCRATS LOOKING TOWARD WHITE HOUSE

(By Federal Wireless Telegraph.)  
WASHINGTON, December 9.—(Special  
to The Advertiser)—Chairman Mc-  
Comb, of the Democratic national com-  
mittee, conferred today with Speaker  
Clark, Representative Underwood and  
other Democratic leaders, and had a pri-  
vate lunch with Secretary Hilges, at  
which the organization of the White  
House offices was discussed.

It was reported that McComb would  
take an official position, but friends say  
that while he has been offered a place  
in the new administration he has not  
decided if he would accept it.

## OPPOSITION TO FREAR HAS COME

Not Personal, But Political—  
Democrats Want His Job,  
Is Report.

### TAFT'S MEN NOT WANTED

Bourbons Look Forward to High  
Carnival When Patronage  
Barrel is Open.

Political opposition to the confir-  
mation of the reappointment of Governor  
Frear and Territorial Secretary Mott-  
Smith has made itself apparent in the  
United States Senate Committee on  
Territories, which yesterday failed to  
report on these and a number of other  
presidential appointments. The Adver-  
siser called its Washington correspond-  
ent to ascertain whether there was op-  
position to the reappointment.

The reply received last night stated  
that there was no opposition of a spe-  
cial character to either Governor Frear  
or Secretary Mott-Smith, but that their  
names had been held up with a number  
of other appointments, at the instance  
of the Democrats, who are determined  
to resist any movement to deprive Pres-  
ident-elect Wilson of federal patronage,  
through the filling of vacancies by  
President Taft.

Under ordinary conditions, the Gov-  
ernorship of Hawaii might be regarded  
as a political appointment, but it will  
probably be urged that in this case the  
reappointment of Governor Frear is but  
an act of justice, because had it not  
been for the ill-founded charges made  
against his administration he would  
have been reappointed and confirmed  
long ago.

It is still believed that when his par-  
ticular case comes up, the senate will,  
(Continued on page four)

## CONFERRING ON PLANS FOR TARIFF REVISION

House Ways and Means Com-  
mittee Seeks Action—Con-  
gress Gets Busy.

(By Federal Wireless Telegraph.)  
WASHINGTON, December 9.—(Special  
to The Advertiser)—Senate pro-  
ceedings: Senator Overman introduced  
a joint resolution today, authorizing a  
joint inauguration committee of six  
members.

The judiciary committee considered  
President Taft's judicial appointments,  
but took no formal action.

Republican members have received  
definite information that the Democrats  
of the senate would probably not hold  
up many appointments in the Southern  
States.

Senator Works of California spoke at  
length, advocating a single six-year  
presidential term.

President Taft transmitted the re-  
port of the economy and efficiency com-  
mission, recommending radical changes  
in the patent office procedures.

The trial of Judge Archbald was re-  
sumed.

### House of Representatives.

(By Federal Wireless Telegraph.)  
WASHINGTON, December 9.—(Special  
to The Advertiser)—House pro-  
ceedings: The house convened at noon  
and resumed consideration of legisla-  
tive, executive and judicial appropri-  
ation bills.

Democratic members of the ways and  
means committee conferred on plans for  
tariff revision at the special session.

The banking and currency subcom-  
mittee resumed its hearing in the money  
trust investigation, Chairman Page  
making a statement repudiating reports  
as to the committee's intention.

Representative Allen introduced a  
resolution proposing a general investi-  
gation of the canning industry. Hear-  
ings will begin January 6.

Representative Landberg introduced  
a resolution to require every congress-  
man and representative to file state-  
ments showing his pecuniary interest in  
any banking, loaning or brokerage busi-  
ness.

## PROGRESSIVES READY FOR BIG CONVENTION

CHICAGO, December 9.—(By Asso-  
ciated Press Cable)—Theodore Ros-  
svelt, former president of the United  
States, reached here today to attend the  
Bull Moose convention, called for to-  
morrow and Wednesday. It is un-  
derstood that plans for the campaign that  
the new party will wage during the  
next four years will be considered.
